2022 Summer Interns

This summer, we have the privilege of hosting two summer interns who will serve with us in the Worship Ministry. Dacie Gamble and Abigail Woodring will join us at the end of May and serve through the end of July. Dacie attends Arkansas Tech University and Abigail attends John Brown University. They are both finishing their Sophomore year of college. Please join me in praying for these two young ladies, that God will use us to minister to them, and that God will use them to exalt Jesus here at Greenwood First Baptist Church.
